

WEBSITE TERMS OF USE

By using this website and the links accessible through it, you agree to be bound by this agreement:

Website Disclaimer

The statements made in this website are opinions and past performance is no indication of future performance. Precious metals and coins may appreciate, depreciate, or stay the same. AMP makes no representation, or guarantees that any metals purchased will appreciate to realize a profit. The decision to purchase or sell precious metals, and what type of precious metals to purchase or sell, are the customer's decision alone.

Material on this site is purely for informational and educational purposes, and there is no intention to provide any advice whatsoever, and should not be used as a substitute for professional advice in formulating any investment decision. No action should be taken solely on the contents of publication on this website. Consult a qualified investment adviser on any matters discussed on this site.

Under no circumstances will AMP be liable for any loss or damage, including without limitation, indirect or consequential loss, or damage suffered by a user as a result of any investment decision based upon any material on this site.

AMP makes every attempt to ensure accuracy and reliability of the information contained within. However, events and changes in circumstances after the time of publication may affect the accuracy and reliability of this information.

While AMP makes its best efforts to maintain the accuracy and reliability of the content on our website, we assume no liability or responsibility for errors, omissions, or problems with its technical functioning.

This website contains links to other sites. AMP is not responsible for the content, terms of use and privacy policies of such other sites. Material accessible from any sites cross referenced in no way implies that AMP recommends or endorses the material contained in those sites cross referenced. Accordingly, it is the responsibility of internet users to investigate the reliability of information found on those sites. AMP provides these links to you only in the context of educational resources, and the inclusion of any link does not imply endorsement by AMP of that site.

Copyright Notice
